- 5. ClickonManageyourGoogleAccount
 - 6. ClickonlefthandsideSecuritythenscrolldowntogetAllow lessscure apps

Google Account

← Less secure app access

Some apps and devices use less secure sign-in technology, which makes your account vulnerable. You can turn off access for these apps, which we recommend, or turn it on if you want to use them despite the risks. Google will automatically turn this setting OFF if it's not being used. Learn more

Allow less secure apps: ON

7. AllowlessscureappsON

8. Clickonoutlook2007icontoopenthenfillyourname&Email
